WORK EXPERIENCE

Atland Ventures

October 2025 – August 2026

General Partner | Minneapolis, MN

- Co-authored three investment memos with valuation frameworks and assessment of company fit that was presented to leadership.
- Analyzed 50+ data rooms, cap tables, and company financials directly with founders for \$2 million+ AUM GP-owned VC fund.

Bold North Capital

January 2026 – June 2026

Private Equity Intern | Minneapolis, MN

- Leveraged data scraping tools and automation to identify acquisition targets, increasing sourcing by 100% week over week.
- Completed preliminary diligence on targets, reviewing company materials and comparable businesses to assess valuation and fit.

PrepNova

September 2025 – May 2026

Co-Founder | Minneapolis, MN

- Built a web app that parses course syllabi and compiles adaptive, spaced-repetition study schedules and tools for students.
- Secured \$6k+ of university funding supporting development of minimum viable product and scaling implementation.

JPMorgan Chase & Co

January 2026 – March 2026

Student Consultant | Columbus, OH

- Devised innovative Retrieval Augmented Generation solution for JPMorgan Chase's AI LLM suite Assurance Program.
- Developed \$250K implementation plan and defined KPIs to ensure system accuracy and enhance risk monitoring.

RESEARCH AND LEADERSHIP EXPERIENCE

Federal Reserve Bank of Minneapolis

May 2024 – May 2025

Student Researcher | Minneapolis, MN

- Authored a research project titled "how much of a factor is rising prices mixed with sticky incomes to the home affordability crisis?"
- Developed a proprietary "Affordable Home Price" metric using Met Council data to quantitatively evaluate housing affordability.

University of Minnesota Department of Economics

September 2025 – May 2026

Dean's First Year Creative Scholar | Minneapolis, MN

- Composed a meta-analysis of 25+ papers in the field of international mediation strategy, contextualizing outcomes for actors.
- Discovered and investigated different types of mediation strategies, determining the efficacy and consequences for future literature.

Minnesota State Capitol

January 2026 – May 2026

Undergraduate Intern | St Paul, MN

- Created three memos about potential Minnesota policies and their financial impact directly to assigned representative.
- Completed 20+ hours a week of deep research using data analysis and visualization tools to estimate impact on Minnesotans.

Wayzata Quiz Bowl

September 2023 – June 2025

Vice President | Plymouth, MN

- Designed a quantitative player evaluation system, analyzing performance data to optimize operations for 50+ member club.
- Achieved 90%-member retention and maintained club continuity during coaching turnover through leadership and coordination.
